## **Instructions for Form FTB 3563**

**Payment for Automatic Extension for Fiduciaries** 

## **General Information**

California does not require the filing of written extensions. If the estate or trust cannot file Form 541, California Fiduciary Income Tax Return, by the due date; the estate or trust is granted an automatic six-month extension. If the tax return is filed by the 15th day of the 10th month following the close of the taxable year (fiscal year) or by October 15, 2009 (calendar year), the extension will apply.

Only use form FTB 3563, Payment for Automatic Extension for Fiduciaries, if both of the following apply:

- The estate or trust cannot file Form 541 by the original due date
- Tax is owed for 2008

Use the worksheet below to determine if tax is owed.

- If tax is not owed, there is nothing to file at this time. Do not complete
  or mail this form.
- If tax is owed, complete the form below, using blue or black ink. Mail
  the form along with the estate's or trust's check or money order to the
  Franchise Tax Board (FTB) by the 15th day of the 4th month (fiscal
  year) or April 15, 2009 (calendar year), to avoid late payment penalty
  and interest.

Make all checks or money orders payable in U.S. dollars and drawn against a U.S. financial institution.

Nonexempt charitable trusts as described in Internal Revenue Code Section 4947(a)(1), exempt pension trusts, and simple trusts (that have a letter from the FTB authorizing the exempt status) use form FTB 3539, Payment for Automatic Extension for Corps and Exempt Orgs.

**Round Cents to Dollars** – Round cents to the nearest whole dollar. For example, round \$50.50 up to \$51 or round \$25.49 down to \$25. If you do not round, the FTB will disregard the cents. This helps process this form quickly and accurately.

## **Penalties and Interest**

If the estate or trust fails to pay its total tax liability by the original due date of the tax return, a late payment penalty and interest will be added to the tax due. To avoid late payment penalties and interest, the estate or trust must pay its tax liability by the 15th day of the 4th month, following the close of the taxable year. If the estate or trust paid at least 90% of the tax shown on the return by the original due date of the return, we will waive the penalty based on reasonable cause. If after the tax return's due date has passed, the estate or trust finds that its estimate of tax due was too low, the estate or trust should pay the additional tax as soon as possible to avoid further accumulation of penalties and interest. Pay the estimated additional tax with another form FTB 3563.

If the estate's or trust's fiduciary tax return is not filed by the 15th day of the 10th month following the close of the taxable year, the automatic extension will not apply and a late filing penalty and interest will be assessed from the original due date of the tax return.
